Re: *United States v Roberto Maldonado-Rivera*, 23 MJ 4595

Your Honor:

I represent Roberto Maldonado-Rivera in the referenced case and am writing to ask for a change to his conditions of release. On or about June 23, 2023, Mr. Maldonado-Rivera was released on the condition of home confinement with electronic monitoring. Since then, he has complied with all conditions of release, while maintaining lawful employment and assisting in the care of his children. But the condition of home confinement has interfered with his ability to accept certain work assignments, which are often offered to him on short notice.

Accordingly, we ask that the condition of home detention be replaced with the condition of a curfew, with the hours to be set by the pre-trial services office. Both the government and the pre-trial services office consent to this application.

Respectfully submitted,

APPLICATION GRANTED

Hon. Victoria Reznik, U.S.M.J.
